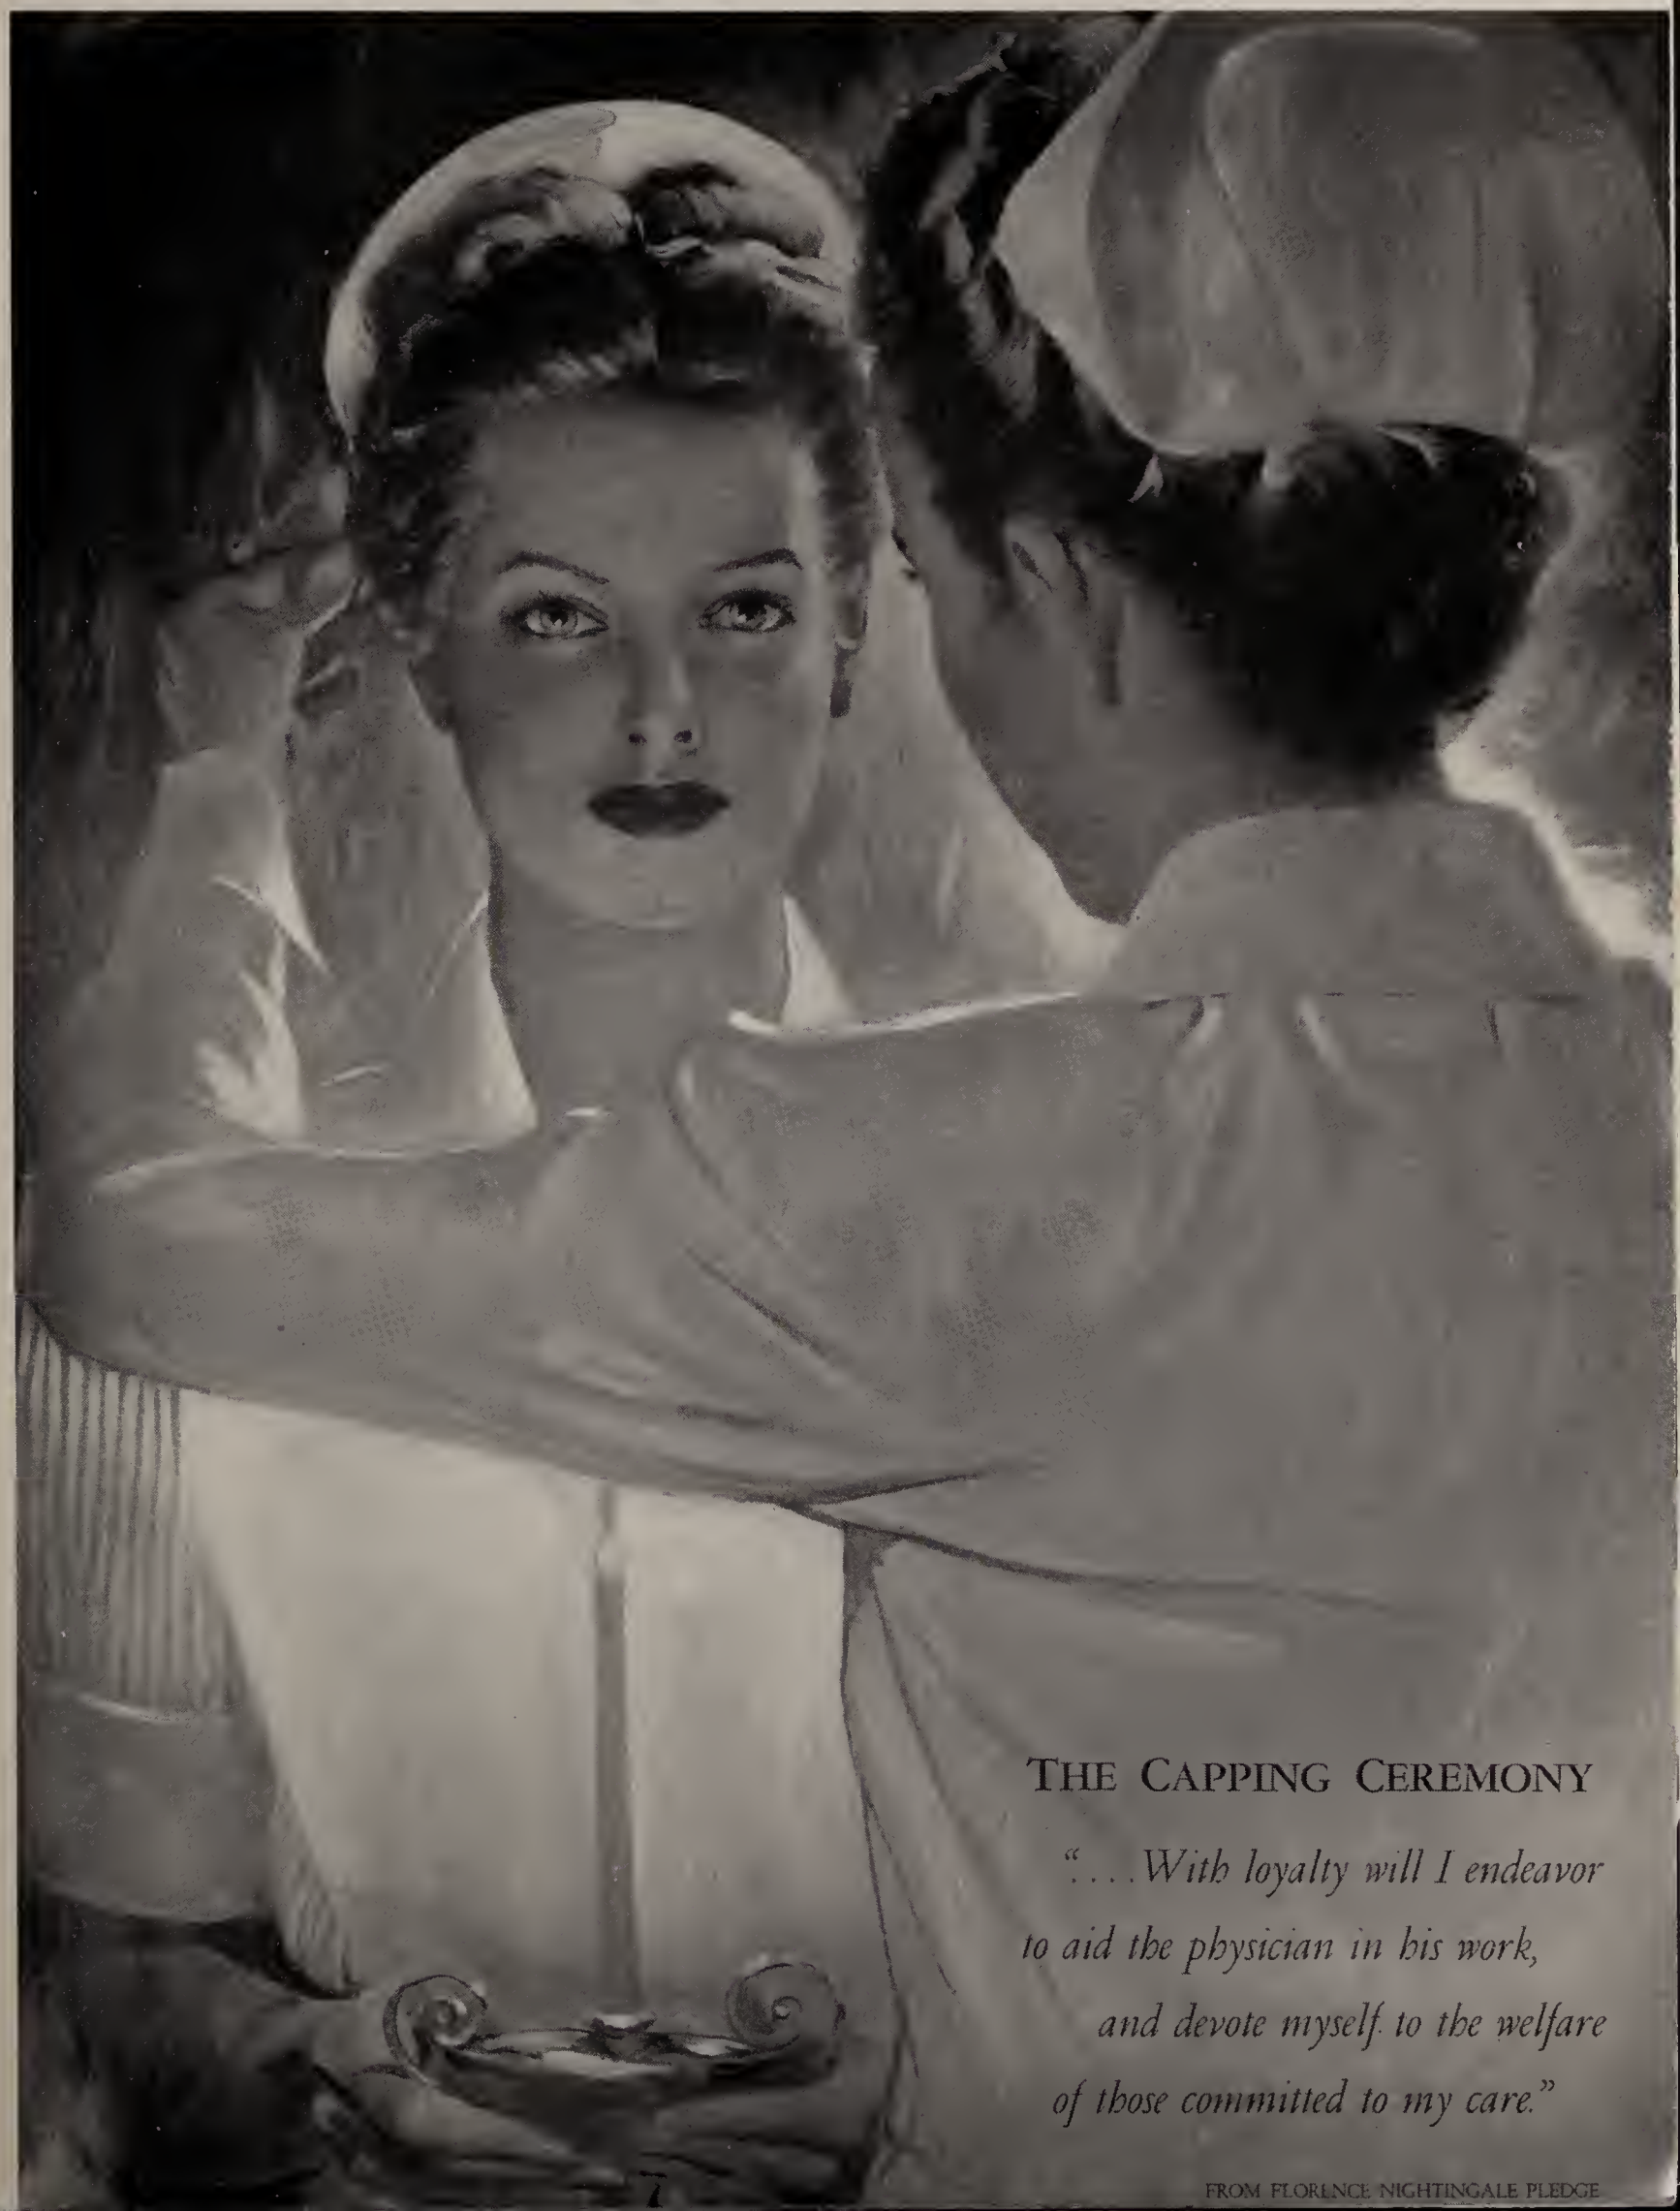
CAPS AND CAPES-1948



THE CAPPING CEREMONY

"... With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care."

FROM FLORENCE NIGHTINGALE PLEDGE

1948

CHARITY HOSPITAL SCHOOL OF NURSING

Pictures are living memories—reminiscent of vast experiences and fond recollections of many moments spent together.

It is the wish of every Senior that you cherish this book, reliving in its pages the year 1948, one of the happiest years at our Nurses' Home.

DEDICATION

To one who gave her individual interest impartially, her inestimable service untiringly; guiding rather than driving us to serious thought, we acknowledge this annual in all sincerity.

A parting tribute filled with respect and sincere appreciation is given to Miss Welsh in dedicating this, our 1948 Caps and Capes.

Catholic students in the School of Nursing can become members of this religious organization. Its purpose is steadfast—to aid each student in maintaining her spiritual, moral, and professional standards.

"Get-acquainted" parties, interesting weekly meetings and the beautiful annual May Crowning to complete the years activities are but a few of its biggest challenges.

Realizing that each student nurse should be a well rounded individual, the Protestant chapel seeks to aid in developing the spiritual life of each Protestant student.

Worship services are held weekly, speakers and musical talent coming from churches all over the city. The aim of the organization is to make Christ and the Church a vital part in the life of each student during her years in training.

If we are ever to enjoy life, now is the time—not tomorrow, nor next year, nor in some future life after we have died. The best preparation for a better life next year is a complete, full, harmonious, joyous life this year. Our beliefs in a rich future life are of little importance unless we coin them into a rich present life. Today should always be our most wonderful life.
